**McCreadie Group, Inc. Names  
Elena Stegemann as Chief Operating Officer**

***McCreadie Group Strengthens its Leadership with New Hire***

**SEPTEMBER 20, 2016 – ANN ARBOR, MICH.** – McCreadie Group, Inc., a privately held pharmacy software solutions provider headquartered in Ann Arbor, Mich., is pleased to announce the hire of Elena Stegemann to the position of Chief Operating Officer. Stegemann joined McCreadie Group on July 22, 2016 and is focused on achieving the team’s strategic objectives.

Stegemann brings her enthusiasm and excellent collaboration and management skills to the role. “I’m very excited to have joined McCreadie group as COO. We have smart people, excellent products, and customers whom we are passionate about. I look forward to working with our great team to reach even more customers, to delight them with our solutions and our customer service, and to have fun in the process,” said Stegemann.

Stegemann has over 20 years of leadership experience in both global corporations (including General Electric, Coca-Cola and Delta Airlines), and in developing smaller businesses into successful enterprises. Her areas of expertise include Strategy, Manufacturing, Operations and International Business. Stegemann’s work has earned her a number of professional awards, including two President’s E Awards. Elena earned her BS in Chemical Engineering from the University of Toronto and her MBA from Emory University in Atlanta, Georgia.

**About The McCreadie Group**

McCreadie Group, Inc. was founded in 2004 to provide software solutions for pharmacy applications in healthcare, research and educational settings. The company’s goal is to drive improvements in quality, efficiency, safety and compliance in the pharmacy profession by delivering innovative software and consultative support to healthcare providers, researchers and stakeholders in pharmacy education.
