

Sponsorship Opportunity for the 2023 Research Pharmacy Summit

The Research Pharmacy Summit, hosted by the McCreadie Group, is the only conference designed specifically for investigational pharmacy practitioners. This year's virtual conference will span two days: Thursday, September 21 – Friday, September 22. Over 300 pharmacists and pharmacy staff are expected to attend from leading research institutions across the nation.

Being a sponsor at the 2023 Research Pharmacy Summit will allow you to showcase your organization as a thought leader in the pharmacy industry, while keeping your company top-of-mind with branding opportunities and social media attention. Best of all, there will be multiple opportunities to network with research pharmacy practitioners, potentially generating high-quality leads.

Featured Sponsor - \$500

- 2 complimentary registrations with access to sessions, discussion rooms, and networking opportunities.
- Company logo included on marketing communications aimed at promoting the event and displayed on the McCreadie Group Summit webpage.
- At least one social post on LinkedIn promoting company's sponsorship and support of the summit within 30 days of the start of the summit.
- Company logo (linking to company website) displayed during the event on a banner in the virtual event platform.
- Space within the virtual platform where attendees can access brochure(s), a link to website/contact information, and/or a "Request Follow Up" button.
- A complete attendee list with contact information, within one week of the close of the summit.
